WEATHER REPORT FOR TODAY

Today's Date _____

Check the words that describe what you observe:

___ Warm	___ Hot	___ Cool	___ Cold
___ Sunny	___ Clear	___ Cloudy	___ Overcast
___ Dry	___ Rain	___ Snow	___ Hail/Sleet
___ Calm	___ Breezy	___ Windy	

Look around you. Write down something that you see that starts with each letter of the alphabet.
See how many you can find!

Example: F = Flag S = Sky

A _____	N _____
B _____	O _____
C _____	P _____
D _____	Q _____
E _____	R _____
F _____	S _____
G _____	T _____
H _____	U _____
I _____	V _____
J _____	W _____
K _____	X _____
L _____	Y _____
M _____	Z _____

Note: you probably won't find all of the letters, but don't be discouraged!

What can I do to help?

Every day, the things we do make a difference in our environment. Wherever you go, see if you can make a POSITIVE difference!

- ❖ If you see a piece of trash, pick it up and put it in a trash can.
- ❖ When you are out hiking, stay on the trail to protect the plants.
- ❖ If you see someone picking flowers or chasing wild animals, remember NOT to do that yourself.
- ❖ If you see interesting rocks or sticks, enjoy them, but leave them there.
- ❖ If you get to explore an old building, such as the cliff dwellings here at Tonto National Monument, remember NOT to climb on the walls and NOT to damage plaster or wooden walls or roofs.

Look at the drawing below. Put a circle around the kids who are doing POSITIVE things that do not harm the environment. Put an "X" over the kids who are doing NEGATIVE things that harm the environment.

The Tools of Tonto

Circle the pictures below that were tools used by the Salado Indians.

Put a check mark by the pictures of things we use today.

Where do I Live?

These animals need to find their homes. Can you find them?

Draw a line from each animal to the home it lives in.

*** AGES 6 and UNDER ***

A Desert Friend

A common Sonoran Desert animal is hidden in this drawing. It's waiting for you to find it.

Connect the dots with your pencil. Start with 1 and end with 15.

What wild animal did you find? _____

*** AGES 6 and UNDER ***

Be an Artist!

Tonto National Monument is full of wonderful things! You can see desert plants like the saguaro cactus or the century plant. You can see very old houses where the Salado Indians used to live. If you are lucky, you might see some wildlife, like birds or lizards, deer or a snake, ground squirrels or butterflies.

Draw a picture of some of the things you might see here.

Fun Fact:

Did you know that many desert animals do not drink any water?

That seems impossible, but they get all the moisture they need from the foods they eat. Seeds and berries, nuts and flowers, leaves and roots – all have enough water in them, to help desert animals survive.
